

The Generation Project Take-Up Champions!

Aged 55 or over or have an interest in improving the quality of life for older people?

What is the 'Take-Up Champions' Programme?
It helps people access benefits, health services,
social care and other support and advice

The programme is aimed at people who want to make a positive difference to people as they get older in their communities.

Would you like to know more about what benefits and services are available?
Do you get frustrated about how to access these services? So do we! That's why we are running a free, friendly programme to help people like you learn more about benefits and services so that you can tell people in your community what's available.

Older People's Advocacy & Information
