## Energy Support Service

- Do you need help and advice with your gas and electricity bills?
- Do you think you are paying too much?
- Are you unsure how to go about switching supplier or finding a cheaper tariff?
- Do you think your home may benefit from energy saving measures so you can reduce your fuel bills?

If you are aged 60 or over, Manchester Care & Repair has an **Energy Support Worker** who can visit you at home to help find you the best deal and support you with many other energy related issues.
